**BUSINESSES, RESIDENTS INVITED TO FREE
DOWNTOWN GLENDALE BUSINESS INFORMATION FAIR
MONDAY, MAY 15**

GLENDALE, Ariz. - Business owners, developers and interested residents are invited to attend a free Downtown Glendale Business Information Fair from 6 – 8 p.m. Monday, May 15 to learn about current and future projects in downtown Glendale and other parts of the city.

The event will be held at the Glendale Civic Center, 5750 W. Glenn Drive (one block north of Glendale Avenue).

The information fair, which has been hosted for the past three years by Glendale Councilmember David Goulet, provides attendees with the opportunity to speak directly with representatives from local businesses, Valley organizations and city departments.

“This event is a great way for us to inform the business community and others on all the development activity taking place in our downtown,” said Goulet. “There are several exciting projects planned over the next couple years that will spur additional development in the area.”

Some of these downtown projects include new residential housing and office/retail developments, a proposed dining district, a new parking structure and the Grand Avenue improvement project.
